

## GPS Dream Fund Application

**WE'RE DREAMING BIG NOW TOO!**

In partnership with the Foundation for Enriching Education, GPS invites you to apply for assistance from the GPS Dream Fund.

The GPS Dream Fund was created in partnership with the Foundation for Enriching Education and the Girl Power Success (GPS) Committee. The goal is to support the dreams of female students in Huron/Perth by creating a fund available to help cover the costs necessary to develop the skills needed to follow their dream. A more detailed description of the goals of the Fund is available on the GPS website, [www.girlpowersuccess.com](http://www.girlpowersuccess.com).
